To Whom It May Concern,

Now in our 16th season, Equinox Dance Company continues to bring innovative dance performances and educational dance opportunities to the citizens of Frederick County and beyond. Equinox is an adult dance company that has brought its mission to Frederick, Maryland since 2003. Company members help empower members of the community, especially women and children, to use dance to harness the strength and creativity within their own bodies and improve physical and mental fitness, poise, and confidence.

Last season, partnering with local businesses enabled Equinox to continue to build our youth dance outreach programs, host an evening-length performance with 13 new dances, and further both our education and our reach by offering dance classes of various styles. The businesses we partner with are thanked and recognized in our monthly e-newsletter, sponsor gala, and main show events. Equinox is seeking new ways to cross audiences with our business partners by performing at events held by local businesses. We also continued our partnership with Student Homelessness Initiative Partnership (SHIP) of Frederick County, and were able to donate \$200 to SHIP thanks to ticket sales at our annual children's show. We look forward to contributing further this season. By helping Equinox to reach more citizens of the Frederick community and beyond, Equinox is able to help your business reach those individuals too!

This season's main events include monthly master classes with local instructors and weekly open company classes to share a variety of dance styles with guests; our Annual Sponsor Gala to recognize and thank sponsors in November; *Building Blocks*, our annual children's show in March; *Truth or Dare*, our annual spring concert in April; and continued work with Frederick County Parks and Recreation, offering discounted dance camps. We will be presenting workshops for members of The ARC of Frederick County to use dance to enhance individuals' endurance, flexibility, strength, memory, and overall functioning. This year's performances seek to highlight individuals' capabilities regardless of preconceived labels, diagnoses, or boundaries. In doing so, Equinox will be using dance to showcase what is possible with our bodies and minds in an effort to empower the community. With company members living not only in Frederick County, but also Carroll, Montgomery, Anne Arundel, and Washington County, and even West Virginia, we are able to reach audience members and potential customers of your business across a wide range.

Your donation helps make these performances, classes, and workshops possible. It also benefits other dancers, choreographers, musicians, and visual artists with whom Equinox collaborates every season. Equinox is a 501(c)(3) non-profit organization, functioning solely on the support of the community, such as the Frederick Arts Council, The Delaplaine Foundation, Sass Creative Studios, and more. Recognition of your donation will be seen by the many community members who attend Equinox performances, classes, and workshops. If you choose to donate by November 1, 2018, you will be able to promote your business at our Sponsor Gala with all of its attendees. You will also be listed on all Equinox social media. Please review the enclosed information and visit our website, www.equinoxdance.org, to learn more about the company and how your donation can benefit both the company and your business.

If you have any questions, please contact us at info@equinoxdance.org.

Sincerely,

Bria Comer, Artistic Director
